Itinerary

Departure from your hotel in Puerto Varas to the lovely Petrohue river bank which goes across the private Fundo. After a safety briefing, we will cross the Petrohue river on a floating rubber dinghy and meet the horses. Our ride has begun!

Bordering the river along the native forest's paths and enjoying the pace of the horses on this particular scenery mixed with Valdivian forest and mountain scenery. The working ranch owns an important herd of red deer, which we will be able to spot from the horses. The trail follows to the amazing c

ascade on a secondary river that joins the Petrohue; we will cross by horse and dismount to continue by foot just 4 minutes walk to the waterfall with spectacular exuberant vegetation. Later we will return back where we had left the horses and return to the lodge through a different way crossing rivers and with the Volcan Osorno on our back. Once back at the Lodge a local barbecue will be served with local flavors including water, wine or beer. Later in the evening we will begun our trip back to Puerto Varas,
